

Always Bring ZIPLOC BAGS

Not exciting.
Ridiculously useful.

I use Ziploc bags on
every single trip—
and somehow I need
them for everything!

MOM HACK:

Pack a few gallon-size
and sandwich-size
Ziploc bags in your
carry-on. They take up
almost no space and
save the day in so
many ways.

Use them for:

Wet swimsuits

Dirty clothes

Half-eaten snacks

Leaking toiletries

Emergency outfits

Tiny souvenirs

Trash

Random kid
treasures

*You'll be so glad
you have them!*

Small bags. Big impact.
