

LEAVE ROOM FOR

What You Want to Bring Home

The best souvenirs are the ones you didn't pack. Give your suitcase (and your family) a little extra space for treasures, memories, and magic. 

MOM HACK:

- ☒ Pack outfits you can mix & match
- ☒ Roll clothes to save space
- ☒ Use packing cubes to stay organized
- ☒ Remember: You can always do laundry, but you can't always bring it home!

More space now = more memories to take home later.
