

THE DO NOT FORGET THIS ZONE

PUT EVERYTHING BY THE DOOR.

The golden rule of departure logic: if it is **leaving the house with you**, it must wait in the designated staging area.

Suitcases, carry-ons, kids' backpacks, and strollers belong here **hours** before you depart.

By grouping every single item in one visual zone, you **eliminate** the frantic morning search and the inevitable left-behind essential.

TIP

THE GOAL IS TO MAKE
TRAVEL MORNING BORING.

Get dressed.

Grab the last few things.

Load up and **GO!**
